This will provide potential investors with easy access to information on available spaces for development. To list your property, please contact us.

## 2. SMME Database Registration

Are you an upcoming or established Small, Medium, or Micro Enterprise (SMME)? Register on our SMME database to stay informed about opportunities and resources as they become available. This initiative aims to streamline communication and ensure you receive the support you need to grow your business. Registration is open now!

## 3. Database for Entrepreneurs with Disabilities and in Secluded Areas

If you are a business owner with disabilities or operating in secluded areas within uThukela District, we want to support you. Register on our special database to gain access to tailored assistance in line with our Service Delivery and Budget Implementation Plan (SDBIP).
